

Retreat Series on the Spirituality of Unconditional Love Led by Xaverian Missionaries

This is something NEW in the City of Preston. Every newness produces excitement. Do you want to explore how life, unconditional love and God are the same reality and be healed of negative emotions? So, “come and see”.

St. Guido Maria Conforti, the Founder of the Xaverian Missionaries, wanted us to possess “a spirit of living faith which enables us to see God, seek God, love God in all things and intensify our desire to spread his kingdom (of unconditional love) everywhere.”

The retreats are about promoting a life lived from the HEART, a living faith in Jesus Christ and by the power of the Holy Spirit to live more united with one self, with ALL people (especially those we push away), with nature and with God using a method called C.C.A.I. (Conversion, Connection, Acceptance and Integration).
